Sweep Account Transfers	- Transfers of Fiscal Year 2020 collections from the SURI sweep account to the TSA.
TSA	- Treasury Single Account, the Commonwealth's main operational bank account (concentration account) in which a majority of receipts from Governmental funds are deposited and from which most expenses are disbursed. TSA receipts include tax collections, charges for services, intergovernmental collections, the proceeds of short and long-term debt issuances and amounts held in custody by the Secretary of the Treasury for the benefit of the Commonwealth's fiduciary funds. Only a portion of the revenues received by the TSA is included in the annual General Fund budget presented to the Puerto Rico Legislative Assembly for approval. Other revenues are separately assigned by law to certain agencies or public corporations but still flow through the TSA.

## Introduction

- Enclosed is the weekly Treasury Single Account ("TSA") cash flow report and supporting schedules with weekly YTD FY2021 actual results compared to the FY2021 Liquidity Plan and FY2020 actual results.
- TSA is the Commonwealth's main operational bank account (concentration account) in which a majority of receipts from Governmental funds are deposited and from which most expenses are disbursed.
- Receipts in the TSA include tax collections (including revenues assigned to certain public corporations and pledged for the payment of their debt service), charges for services, intergovernmental collections (such as reimbursements from Federal assistance grants), the proceeds of short and long-term debt issuances held in custody by the Secretary of Treasury for the benefit of the Government fiduciary funds, and other receipts. Only a portion of the revenues received by the TSA is included in the annual General Fund budget presented to the Puerto Rico Legislative Assembly for approval. Other revenues are separately assigned by law to certain agencies or public corporations but still flow through the TSA.
- Disbursements from the TSA include payroll and related costs, vendor and operational disbursements (including those reimbursed by Federal assistance grants and funded from Special Revenue Funds), welfare expenditures, capital outlays, debt service payments, required budgetary formulas and appropriation payments, pass-through payments of pledged revenues to certain public corporations, tax refunds, payments of current pension benefits and other disbursements.
- Federal funds related to disaster relief for hurricanes Irma and Maria are deposited in a separate bank account overseen by the Government Authorized Representative ("GAR"). Funds may be transferred to the TSA either: (i) after admissible disbursements (per approved Project Worksheets) have been made or (ii) once supporting documentation for an accrual or related expense are provided to and approved by FEMA. Therefore, FEMA funding may also be received in advance of actual cash disbursement, as payments to vendors may occur subsequent to when the corresponding services are rendered / expenses are recorded.
- Data limitations and commentary:  
The government has focused on cash transaction information for which access to reliable, timely, and detailed data is readily available. The government continues to work with DTPR and other parties to access additional reliable data that would help to provide additional detail in the future.

Liquidity Plan Projected Cash Balance 8/14/20:	\$ 7,786	1. Throughout July and the beginning of August, complications with the revenue recognition process at DTPR has slowed the recording of certain revenues and subsequently certain state-funded budgetary transfers from the TSA. 2. As of the date of this report, YTD variance in vendor disbursements is mainly driven by lower than expected payments on behalf of the Department of Education, the Department of Housing, and the Department of Labor and Human Resources. 3. Other disbursements variance is primarily driven by a reprogramming of \$34M in FY20 budgeted operating expenses to ASEM for capital expenditures. The transfer was executed in FY21 on August 10, 2020. 4. TSA receipts of state collections are approximately \$605M behind plan. This is offset by the increase in the SURI sweep account balance, which has increased by \$790M this fiscal year.

*YTD TSA Cash Flow Summary - Actual vs LP*

**YTD Actuals vs. Liquidity Plan**

YTD net cash flow is -\$388M and cash flow variance to the Liquidity Plan is -\$473M. Lower than expected cash flow is mainly driven by operational delays in sweeping cash from the main collection account into the TSA due to the ongoing transition to SURI. This difference is expected to be offset in the first quarter this fiscal year.

**Puerto Rico Department of Treasury | AAFAF**

**YTD Cash Flow Summary - TSA Cash Flow Actual Results**

**Net Cash Flow - YTD Actuals**

- 1.) State fund cash flows account for the majority of the cash build with the primary positive drivers being strong General Fund collections and on-budget spending. Federal Fund inflows of \$1,214M represent 53% of YTD inflows, but are largely offset by Federal Fund disbursements, with YTD net deficit of \$13M (Refer to page 13 for additional detail).

**TSA YTD Cash Flow Actuals: Key Cash Flow Concepts (\$M)**

**Net Cash Flow YTD Variance - LP vs. Actual**

- 1.) The negative variance in YTD collections is mainly driven by operational delays in sweeping cash from the main collection account into the TSA due to the ongoing transition to SURI. This difference is expected to be offset in the first quarter this fiscal year.

### ***FY20 TSA Cash Flow Actual Results - Footnotes***

#### Footnotes:

- (a) Represents FY2020 actual results through August 16, 2019.
- (b) Represents gross tax collections received and deposited from all Hacienda Collection Posts, through the Hacienda Colecturia Virtual (online) and/or SURI. Additionally, as of the date of this report, the "General Fund Collections" line item includes unreconciled collections due to DTPR transition to collecting various gross tax receipts through the new SURI system. The transition from the Hacienda Colecturia collections system to SURI is ongoing and as such, revenue concept detail for the general tax SURI collections is not available at this time for the portion of collections received by the new general tax SURI account. This resulted in timing-related unreconciled gross collections which will be retroactively allocated to "General Collections" as appropriate once this information becomes available.
- (c) These revenues are collected by DTPR and immediately appropriated.
- (d) Inflows related to the State Insurance Fund, the Department of Labor and Human Resources, the Commissioner of Financial Institutions, interest earned on TSA bank accounts and others. As of the date this report the TSA has received \$2M in interest income in FY21 from earnings on the TSA cash balance.
- (e) As of August 14, 2020, there are \$1,814M in collections in the SURI sweep account pending reconciliation and transfer to the TSA.
- (f) Represents total gross payroll. Gross payroll includes net payroll disbursed to government employees, cash transfers to the Police Department for payroll costs, and other payroll related costs (employee withholdings, social security, insurance, and other deductions).
- (g) Includes payments to third-party vendors as well as intergovernmental payments to agencies with separate Treasuries.
- (h) Includes Federally Funded Employee Retention Credits.
- (i) These line items include transfers out of the TSA related to the COVID-19 Emergency Measures Support Package. Total TSA outflows related to the COVID-19 Emergency Measures Support Package are approximately \$466M as of August 14, 2020. Of this amount, \$459M was disbursed in FY2020 and \$7M in FY2021.
- (j) Excludes BPPR Clawback Accounts (for clawback revenues prior to June 2016) of \$147M.

General Fund Collections Summary

Key Takeaways / Notes

General Fund Collections Year to Date: Actual vs. Forecast (\$M)

- 1.) The ongoing transition from Hacienda Colecturia to the new SURI platform has temporarily lengthened the process of reconciling and transferring collections held in a sweep account to the TSA. This has resulted in TSA cash receipts of General Fund revenues trailing forecast, while General Fund revenues including those in the sweep account are ahead of forecast. There are currently \$1,814M in collections in the sweep account pending reconciliation and transfer to the TSA. Due to the ongoing transition of various gross tax collections from Hacienda Colecturia to SURI, revenue concept detail for general tax SURI collections from August 1, 2020, through the date of this report is not available at this time. Other General Fund revenue includes receipts that have not been allocated to other concepts and this amount is approximately \$484M as of the date of this report. DTPR is continuing to reconcile revenues pertaining to FY20 that were collected in FY21 as a result of various deferrals and extensions, as well as other pass-through and moratorium revenues that were previously non-General Fund. The collections schedule will be updated as information becomes available.

Footnotes:

- (a) General Fund gross cash receipts by concept are approximated using net General Fund revenues adjusted for recurring monthly gross-ups and other adjustments.  
 (b) This amount includes Rum tax moratorium revenues.  
 (c) Relates to cigarette tax collections that are subsequently passed through to PRITA, HTA, PRMBA and other.  
 (d) Relates to income tax reserves that are subsequently passed through to PRIDCO.  
 (e) Receipts in collections accounts occur approximately two business days prior to being deposited into the TSA, though this has slowed due to COVID-19 and the related lockdown. There are \$1,814M collections in a SURI account awaiting transfer to TSA as of August 14, 2020. Note this amount also includes some SRF collections pending reconciliation.  
 (f) SUT collections excludes PSTBA, FAM & CINE, and only includes the amounts deposited into the TSA for General Fund use.

**Key Takeaways / Notes**

- 1.) Other state fund collections are ahead of the Liquidity Plan. Small overall variance is mostly assumed to be temporary due to timing, as special revenues and other collections may be received with irregular cadence.

*Sales and Use Tax Collections Summary*

**Key Takeaways / Notes**

- 1.) The proceeds from the Puerto Rico 10.5% SUT rate are allocated as follows: Of the 10.5%, 5.5% is deposited into a COFINA BNY Mellon account until the PSTBA cap is reached, and 4.5% is deposited into the General Fund. The remaining 0.5% is remitted to FAM. The PSTBA cap for FY21 is \$447.5 million.

Footnotes

- (a) This schedule reflects gross cash activity and is subject to revision based on periodic reconciliations and accounting adjustments.
- (b) As of August 14, 2020 there is \$55M in SUT collected pending verification and allocation. The verification process includes matching receipts with the appropriate returns and reconciling government account information. Once this process is complete, SUT funds are distributed in accordance with the COFINA Plan of Adjustment based on the ownership of funds and otherwise based on the limits on distributions established therein.

**Federal Funds Net Cash Flow Summary (a)(b)**

**Key Takeaways / Notes**

- 1.) Receipts for the Nutritional Assistance Program (NAP) and Medicaid (ASES Pass-through) are received in advance of the subsequent pass through disbursements. Federal Funds received for Payroll and Vendor Payments are typically reimbursed following disbursement. Currently, there may be temporary surplus / (deficit) due timing differences relating to prior year carryover. Puerto Rico received \$2.24 billion from the Coronavirus Relief Fund (CRF) established under the CARES Act. These funds are held in a separate account outside of TSA and being disbursed according to the Strategic Disbursement Plan. Some of the measures are initially paid out through TSA, and later reimbursed from the CRF account. Additionally, \$400 million was transferred out of TSA to advance a portion of the \$1,200 CARES Act stimulus checks to individuals on May 1, 2020, and subsequently reimbursed on May 7, 2020. This transfer and reimbursement flowed through the Other Disbursements line of the cash flow summary.

**Footnotes**

- (a) Please note that federal fund classification as represented here is based on the fund classification at the point of transaction. Agencies regularly review cash transactions and make accounting adjustments that result in fund reclassifications.
- (b) Note that the Liquidity Plan will generally project a YTD deficit and surplus each week for Medicaid and CRF funding, respectively. This is due to deficit and surpluses carried forward from FY20 (FY20 federal receipts in excess of FY20 federal fund outlays and spending prior to CRF reimbursement) that were assumed to unwind throughout the first quarter of FY21 as funds received in FY20 were utilized, thus resulting in projected net cash flow deficits and surpluses for the full year FY21 in Medicaid funding (-\$51M) and CRF (\$42M), yielding a projected -\$9m

**Payroll / Vendor Disbursements Summary**

**Key Takeaways / Notes : Gross Payroll**

- Gross payroll is tracking FY21 forecasts to date, with minimal variance through the first month of the fiscal year. Positive variance in DOE is expected to be timing related and may be offset by future months as the adjusted school year begins. All other agency variances are assumed to be temporary at this time.

**Gross Payroll (\$M) (a)**

Agency	YTD Variance
Department of Education	\$ 26
Police	14
Department of Correction & Rehabilitation	1
Department of Health	(5)
All Other Agencies	(0)
<b>Total YTD Variance</b>	<b>\$ 35</b>

**Cumulative YTD Variance - Payroll by Agency (\$M) (a) (b)**

**Key Takeaways / Notes : Vendor Disbursements**

- YTD variance in vendor disbursements is mainly driven by lower than expected payments on behalf of the Department of Education, the Department of Housing, and the Department of Labor and Human Resources. This is mostly driven by variance in operating disbursements that are federally-funded and can have irregular cadence that causes temporary timing variances that may be offset in future periods. Positive variances are partially offset by increased spending on behalf of the Department of Health through the first month of the fiscal year.

**Vendor Disbursements (\$M)**

Agency	YTD Variance
Department of Education	\$ 47
Department of Justice	(2)
General Court of Justice	(3)
Department of Correction & Rehabilitation	(8)
Department of Health	(31)

<b>Total YTD Variance</b>	<b>\$ 45</b>

**Cumulative YTD Variance - Vendor Disbursements by Agency (\$M)**

**Footnotes**

(a) Gross Payroll is equal to the sum of: (i) Net Payroll by Agency from the DTPR RHUM system; (ii) Other Payroll and (iii) Cash outlays for wage garnishments by Agency.

**Puerto Rico Department of Treasury | AAFAF***State Funded Budgetary Transfers Summary***Key Takeaways / Notes**

- 1.) General Fund appropriations are generally executed throughout the year on a consistent basis in the first week of a given month. The amount transferred each month is usually the sum of the receiving entity's budgeted amount for FY21 divided into twelve, subject to a 2.5% holdback through the first nine months of the fiscal year. Other General Fund transfers and Other Fund transfers require the recognition of certain revenues within DTPR accounting records prior to sending funds to a receiving entity. Throughout July, complications with the revenue recognition process at DTPR has slowed the recording of certain revenues and subsequently certain state-funded budgetary transfers from the TSA.
